

AEROSPACE MANUFACTURING TECHNOLOGY, CERTIFICATE OF TECHNICAL STUDIES

This program, designed in partnership with industry, provides classroom and hands on training that allows students to develop the knowledge and skills to successfully tasks in electrical and mechanical assembly for aerospace manufacturing.

Code	Title	Hours
Major Courses ¹		
INDT 1030	Industrial & Plant Safety	3
INDT 2070	Quality Control	3
ARST 1000	Introduction to Aerospace	2
ARST 1040	Intro to Elec.& Elec. Assembly	4
ARST 1760	Adv Electro & Electri Assembly	4
ARST 1780	Intro Mech Assembly	4
ARST 2700	Advanced Mechanical Assembly	4
Total Hours		24

¹ Must earn a grade of "C" or better in each. At least twelve (12) credit hours must be earned in residence.
