

ENTREPRENEURSHIP CONCENTRATION, ASSOCIATE OF APPLIED SCIENCE

The Business Technology Program prepares students for positions in business and industry. This track provides exposure to a broad range of business theory and skills with an emphasis on Entrepreneurship and small business. To pursue a general business track, see the Associate of General Studies. Must earn a grade of "C" or better in all course work.

Program Outcomes:

- Demonstrate ability to gather relevant information from multiple sources and evaluate data from various sources and disciplines within business studies.
- Apply basic ethical strategies for effectively managing and operating a business.
- Demonstrate the ability to work in teams.
- Application of verbal and presentation skills using appropriate technology while demonstrating the ability to properly use business terminology.
