

ASSOCIATE OF GENERAL STUDIES

The Associate of General Studies degree program allows pre-baccalaureate studies in many areas. The degree also provides an opportunity for students with specific workforce needs to complete an associate degree not met by other degree options. A minimum of 12 credit hours in this degree path must be taken in courses numbered 2000 or above. Additionally, a minimum of 15 hours must be taken in residence.

A student may not be awarded the Associate of General Studies more than once. To ensure the transferability of coursework, students should complete all required courses with a grade of "C" or better.
